

METHODS OF DIAGNOSING AND TREATING
PRE-ECLAMPSIA OR ECLAMPSIA

Abstract of the Disclosure

- 5 Disclosed herein are methods for diagnosing pre-eclampsia and eclampsia. Also disclosed herein are methods for treating pre-eclampsia and eclampsia using compounds that increase VEGF or PlGF levels or compounds that decrease sFlt-1 levels. Compounds that inhibit the binding of VEGF or PlGF to sFlt1 - are also disclosed herein for the treatment of pre-eclampsia or eclampsia.
